### New business guidelines

Interest rates and interest credit factors (“rates”) can change after we receive applications and before we receive the premiums. In order to qualify for a rate hold, the following must occur:

- Must receive premium within 60 days of application signed date.
- Rate will be based on more favorable rates between\* application signed date and premium received date.

If the 60<sup>th</sup> day falls on a weekend or holiday, the premium must be received on the business day before the weekend or holiday.

\*Rate hold only applies for the first guarantee period.
