

Thank you for applying for life insurance with North American

Life insurance products issued by North American Company for Life and Health Insurance®

The next step in the process is to start the online application. You will receive an email from North American. Inside that message will be a link to your specific life insurance application. In order to access your application, you'll need to enter your legal first and last name, date of birth, and Social Security number.

Part of the online application includes certain questions about your medical history. Please make sure you have the following information handy to make the application process easier.

- Details of past or current illnesses, injuries, or conditions
- Details of current or past use of tobacco products
- Details of family medical history
- Social Security number
- Prescriptions used in the past 2 years
- Name, address, and phone number of current licensed medical professional and all other physicians seen in the last 5 years

Be sure to print or save an electronic copy of your application for your records.

After we have reviewed your application, your agent will contact you with one of two results:

No labs needed:

If you've met all of the qualifications, we'll contact your agent and let them know that you are qualified, and your application will be processed.

Labs needed:

If additional information is needed, your agent will contact you to schedule an appointment to take your blood pressure, measurements, and labwork.

Thank you for your business!
We look forward to serving you.
