

For help on your next advanced life insurance case, let North American Company's consultant, Advanced Underwriting Consultants (AUC), help guide the way.

A POWERFUL ALLY ON YOUR SIDE

In this ever-changing world of regulation, wouldn't it be nice to have a partner that could not only look out for your business, but also make sure your clients are doing the right thing?

North American Company offers you the guidance of Advanced Underwriting Consultants (AUC). They're established attorneys that deliver customized and advanced sales support for life insurance professionals. AUC has the experience and knowledge to help you with your advanced life insurance case needs.

Whether you want to bounce an idea around or look more deeply into how best to handle an estate plan, a buy-sell agreement, or an irrevocable trust plan, AUC can help you make the right decisions—and satisfy your clients with your diligence and guidance.

About Advanced Underwriting Consultants

Linas Sudzius, JD, CLU, ChFC, is President of Advanced Underwriting Consultants. Linas has had long experience answering the tax and technical questions posed by life insurance professionals. He is also a nationally-recognized speaker and author.

Experienced Professionals Here to Help

GUIDANCE YOU CAN COUNT ON

AUC is available at *no cost to you* and offers professional guidance when you need it.

Contact AUC when you need help with:

- Business insurance
- Buy-sell agreements
- Custom advanced sales proposals
- Estate planning
- Life insurance taxation
- Specimen documents
- And much more!

It's not always easy to translate a concept into a relevant life insurance proposal. AUC can help you design cases that work. Plus, they have access to libraries of specimen documents supporting buy-sell situations, irrevocable trust planning, and other advanced sales concepts.

Your clients demand sound strategies to help protect their financial futures. With ever-changing guidelines, how do you know you're doing what's best?
