1. Assumes 1% premium bonus increase special. The premium bonus increase special may be modified or discontinued at any time without notice. All decisions are at the sole discretion of the company and all decisions are final. No exceptions will be made. 2. May be subject to a premium bonus recapture. Premium bonus may vary by annuity product, premium band and surrender charge period selected and may be subject to a premium bonus recapture. Products that have premium bonuses may offer lower credited interest rates, lower index cap rates, lower participation rates and/or greater index margins than products that don't offer a premium bonus. Over time and under certain scenarios the amount of the premium bonus may be offset by the lower credited interest rates, lower index cap rates, lower participation rates and/or greater index margins.
